

## Ronit Buller

### Education:

- Juris Doctor Candidate, The University of Toledo
- Postdoctoral studies, Chemical Engineering Department, Stanford University
- Doctor of Philosophy in Chemistry, Materials and Interfaces Department, The Weizmann Institute of Science, Cum Laude
- Master of Science in Chemistry, Materials and Interfaces Department, The Weizmann Institute of Science, Cum Laude
- Bachelor of Science in Organic and Biochemistry, The Hebrew University of Jerusalem, Cum Laude

### Honors and Awards:

- Holzmann Prize for Scientific Excellence

### Professional Experience:

- Postdoctoral fellow, Chemical Engineering, Stanford University

### Professional Experience:

- American Bar Association

### Technology Advisor

- [buller@mstfirm.com](mailto:buller@mstfirm.com)
- telephone: 419.255.5900
- facsimile: 419.255.9639

### Languages:

- English
- German
- Hebrew

### Technology Areas:

- Chemistry
- Nanotechnology
- Semiconductors
- Photovoltaics
- Surface Chemistry
- Self Assembly
- Crystal Engineering
- Organic Chemistry
- Pharmaceuticals
- Genetic Engineering
- Molecular Biology
- Biotechnology
- Medical Devices
